

# **2021 Wild Wing Shootout**

## **410 c.i. Winged Sprint Cars Rules**

WoO / All-Star Sprint Car Rules apply with exception(s) outlined below:

\*Any SFI approved front axle tethers allowed.

**Weight:** 1400 lbs minimum at any time

### **Tire Rule**

**Front Tires:** 85/8.0-15 D12, D15, D20

**Left Rear Tires:** 15.0/90-15 H12, 15.0/92-15 H12, H15, 15.0/94-15 H12, H15, 15.0/95.0-15 H12, H15, 15.0/96-15 H12, H15

**Right Rear Tires:** 105/16.0-15 H15, H20, Medium

### **Mufflers (*Mufflers Required on all cars at all times*)**

- 14" Flowmaster (part #53545-10) and Schoenfeld (part #14272735-78) are the only mufflers that will be allowed at the Wild Wing Shootout, unless otherwise notified prior to the event. The specified mufflers must be on the cars at all times and remain unaltered from the manufacturer. Any car found not to have the required muffler will be disqualified from that race.

- Titanium, carbon fiber, and/or any other type of exotic material mufflers will not be allowed.
